Peru | Adventure: Trekking | Colca Canyon

Length: 3 Days / 2 Nights

Details:

Day 1

The journey begins by passing through the Salinas Nature Reserve and Aguada Blanca, then arriving to the Colca Canyon where, following lunch, we begin hiking to the town of San Juan de Chuccho, where we spend the night.

Day 2

We begin a downhill hike to the Oasis of Sangallo, where we have lunch and rest by the pool and then begin climbing to Cabanaconde.

Day 3

We take the vehicle to Cruz del Condor, where, if the weather permits, we will be able to appreciate the majestic flight of the world's largest bird. We continue on to Calera, and after lunch, return to the city.
